

COVID-19 PROTECTION:

MANDATORY CLEANING FOR ALL DRIVERS

Unite
against
COVID-19

We must all unite to stop the spread of COVID-19. We've ramped up our cleaning schedules, but we need some help from you too.

All drivers must follow these steps at the start & end of their booking:

- 1 Spray Disinfectant Cleaner onto Cleaning Cloth
- 2 Wipe down all surfaces touched while using the car:
 - 🌀 Steering Wheel
 - 🌀 Indicator & Light Stalks
 - 🌀 Buttons, Knobs & Switches
 - 🌀 Interior & Exterior Door Handles
 - 🌀 Seatbelt Buckle & Release Button
- 3 Dispose of Cleaning Cloth

Repeat these steps at the start and end of your booking

Cleaning supplies will be checked regularly. If you find supplies missing, please phone us on 0800 GO ZILCH (0800 294 524) and we'll get you sorted.
